

John Mayer - Gravity

Sol Do Sol Do

Sol Do
Gravity is working against me
Sol Do
And gravity wants to bring me down

Lam7
Oh, I'll never know what makes this man
Re7
With all the love that his heart can stand
Solm/Sib Mib7+ Re7
Dream of ways to throw it all away

Sol Do
Gravity is working against me
Sol Do
And gravity wants to bring me down

Lam7
Oh, twice as much ain't twice as good
Re7
And can't sustain like a one half could
Solm/Sib
It's wanting more,
Mib7+ Re7
That's gonna send me to my knees

Sol Do Sol Do

Lam7
Oh, twice as much ain't twice as good
Re7
And can't sustain like a one half could
Solm/Sib
It's wanting more,
Mib7+ Re7
That's gonna send me to my knees

Sol Do
Oh gravity, stay the hell away from me
Sol Do
Oh gravity has taken better men than me

How can that be?

Sol
Just keep me where the light is
Do
Just keep me where the light is
Sol
Just keep me where the light is
Do
Come on, keep me where the light is
Sol
Come on, keep me where the light is
Do
Come on, keep me where, keep me where the light is
