John Mayer - Half of my heart

```
Sib  Fa  Do  Rem

Sib      Fa           Do        Rem     Sib       Fa  Do
  I was born in the arms of imaginary friends
Sib        Fa            Do           Rem          Sib      Fa  Do
  Free to roam, made a home out of everywhere I've been
Sib                      Fa
Then you come crashing in
...
Like the realest thing
Sib                      Fa                   Do
Trying my best to understand all that your love can bring

    Sib         Fa             Do          Rem
Oh, half of my heart's got a grip on the situation
Sib         Fa           Do
Half of my heart takes time
Sib         Fa               Do          Rem
Half of my heart's got the right mind to tell you that
  Sib
I can`t keep loving you
          Do     Fa Do Rem Sib
Oh, half of my heart

Fa Do Rem Sib
...
Sib      Fa         Do               Rem        Sib  Fa   Do
  I was made to believe I'd never love somebody else
Sib         Fa               Do           Rem     Sib    Fa   Do
  I made a plan, stayed the man who can only love himself
Sib                     Fa
Lonely was the song I sang
...
'Til the day you came
Sib                  Fa                   Do
Showing me another way and all that my love can bring
...
Do     Fa Do Rem Sib               Fa Do Rem Sib
Oh, half of my heart   with half of my heart

     Fa         Lam7
Your faith is strong
          Dom7               Solm
But I can only fall so far so long
...
Down the road, later on
         Dom7                    Solm
You will hate that I never gave more to you
     Sib
than half of my heart
...
But I can't stop loving you
...
                 Sib         Fa    Do Rem
With half of my, half of my heart
...
Half of my heart's got a real good imagination
...
Half of my heart's got you
...
That half of my heart won't do

Sib         Fa          Do       Rem           Sib           Fa         Do
Half of my heart is a shotgun wedding to a bride with a paper ring...
