Mi Mi Mi Mi
La La Mi Mi

Mi
 I'm never gonna catch you
 Mi
 This is never gonna end
 Mi
 Might as well be my lover
 Mi
 If you don't wanna be my friend
 La
 You're my badge
 La
 Baby, I'm your scar
 Mi
 Throwin' daggers at the camera
 Mi
 Tryin' to hit me from afar

Si
Now if you ever come through
La
Which I doubt you'll do
Mi
I'll run away with you

You only want me when you got someone
 Mi
 You only want me when it's wrong
 Mi
 Come out and just tell me
 Mi
 What you been thinkin' all along
 La
 We coulda talked all night
 La
 Instead of wastin' time
 Mi
 I coulda solved your problems
 Mi
 You coulda helped me with mine

Si
Now if you ever come through
La
Which I doubt you'll do
Mi
I'll run away with you

Mi
 Ooh-ooh
 Mi
 Ooh-ooh
 La
 Ooh-ooh
 Mi
 Ooh-ooh

Admit that if you met me
Tonight for the first time
You'd never forget me

Mi
 We'd be livin' on the same dime
 La
 It's not too late
 La
 It's easy if you try
 Mi
 Whatever his name is
 Mi
 Just tell him goodbye

 Si
 And if you never come through
 La/Do#
 Well then you showed me why
 La Mi
 You should never make a good girl cry

Mi
 Oh, you and me
 Misus4 Mi
 Oh, how we love our little hide and seek
 Misus4 Mi
 Oh, how we love it, baby, you and me
 Misus4 Mi
 Oh, how we love our little hide and seek
 Misus4 La
 Oh, how we love it, baby, you and me
 La
 Run for the kiss and turn the other cheek
 Mi
 Ho-how you do it, honey, you and me
 Misus4
 Oh, how we love it when our will gets weak

La/Mi
 If we never get it right
 Mi
 Meet you on the other side
 La/Mi
 If we never get it right
 Mi
 Meet you on the other side
 La/Mi
 If we never get it right
 Mi
 Meet you on the other side
 La/Mi

 Meet you on the other side
 Mi
 Meet you on the other side
 La/Mi
 Meet you on the other side

 Meet you on the other side
 La/Mi
 Meet you on the other side
