Shawn Mendes - Stitches

```
Lam Sol Do Fa

Lam           Sol          Do     Fa
I thought that I've been hurt before
Lam              Sol           Do       Fa
But no one's ever left me quite this sore
Lam             Sol          Do   Fa
Your words cut deeper than a knife
Lam                     Sol                  Fa
Now I need someone to breathe me back to life

Fa                       Sol
Got a feeling that I'm going under
Lam                     Sol
But I know that I'll make it out alive
Fa                      Sol
If I quit calling you my lover
Lam
Move on

Lam                                 Sol
You watch me bleed until I can't breathe
         Do
I'm shaking, falling onto my knees
Fa            Lam               Sol
And now that I'm without your kisses
Do               Fa
I'll be needing stitches
Lam
I'm tripping over myself,
Sol         Do
 I'm aching begging you to come help
Fa               Lam              Sol
And now that I'm without your kisses
Do                 Fa
I'll be needing stitches

Lam           Sol          Do     Fa
Just like a moth drawn to a flame
Lam                 Sol          Do          Fa
Oh, you lured me in, I couldn't sense the pain
Lam             Sol           Do     Fa
Your bitter heart cold to the touch
Lam                     Sol
Now I'm gonna reap what I sow
Do                       Fa
I'm left seeing red on my own

Fa                       Sol
Got a feeling that I'm going under
Lam                     Sol
But I know that I'll make it out alive
Fa                      Sol
If I quit calling you my lover
Lam
Move on

Lam                                   Sol
You watch me bleed until I can't breathe
           Do
I'm shaking, falling onto my knees
Fa              Lam               Sol
And now that I'm without your kisses
Do                  Fa
I'll be needing stitches
