Shawn Mendes - There's nothing holdin me back

```
  Sol              Sim            La

Sol                       Re Sim
  I wanna follow where she goes
Re La                       Re La         Re
  I think about her and she knows it
Sol                       Re Sim
  I wanna let it take control
Re La                       Re La         Re
 'Cause everytime that she gets closer

    Sol           Re Sim              Re La     Re La     Re
She pulls me in enough to keep me guessing
    Sol       Re Sim                      Re La
And maybe I should stop and start confessing
  Re La
Confessing

Sol                       Re Sim
  Oh, I've been shaking
                           Re La
I love you when you go crazy
                          Re La
You take all my inhibitions
                                  Re
Baby, there's nothing holding me back
Sol                         Re Sim
  You take me places that tear up my reputation
      Re La
Manipulate my decisions
Re La
Baby, there's nothing holding me back

Sol   Re Sim   Re La   Re La     Re
       There's nothing holding me back

Sol   Re Sim   Re La   Re La     Re

N.C.                        Re Sim        Re La
She says that she is never afraid
                    Re La        Re
Just picture everybody naked
Sol                           Re Sim        Re La
  She really doesn't like to wait
                    Re La        Re
Not really into hesitation

    Sol           Re Sim               Re La     Re La    Re
She pulls me in enough to keep me guessing
    Sol       Re Sim                     Re La
And maybe I should stop and start confessing

I know we'd be alright, I know we would be alright
                  Sol                 Re Sim
'Cause if you are by my side and we stumbled in the dark

I know we'd be alright, I know we'd be alright
                  Sol                 Re Sim
'Cause if you are by my side and we stumbled in the dark

Sol                     Re Sim
