

Nothing else matters - Metallica

Mim Re Do
So Close no matter how far
Mim Re Do
Couldn't be much more from the heart
Mim Re Do
Forever trusting who we are
Sol Re Do
And nothing else matters

Mim Re Do
I've never opened myself this way
Mim Re Do
Life is ours we live it our way
Mim Re Do
All these words I don't just say
Sol Re Do
And nothing else matters

Mim Re Do
Trust I seek and I find in you
Mim Re Do
Every day for us something new
Mim Re Do
Open mind for a different view
Sol Re Do
And nothing else matters

Re Do La
Never care for what they do
Re Do La
Never care for what they know
Mim
And I know

Mim Re Do
So Close no matter how far
Mim Re Do
Couldn't be much more from the heart
Mim Re Do
Forever trusting who we are
Sol Re Do
And nothing else matters

Re Do La
Never care for what they do
Re Do La
Never care for what they know
Mim
And I know

Mim Do Re Mim Re Mim

Mim Re Do
I've never opened myself this way
Mim Re Do
Life is ours we live it our way
Mim Re Do
All these words I don't just say
Sol Re Do
And nothing else matters
Mim Re Do
Trust I seek and I find in you

Mim Re Do
Every day for us something new
Mim Re Do
Open mind for a different view
Sol Re Do
And nothing else matters

Re Do La
Never care for things they say
Re Do La
never care for games they play
Re Do La
I've never cared for what they do
Re Do La
I've never cared for what they know
Mim
And I know Yeah Yeah Yeahhhhhhh
