

## Jesus to a child - George Michael

Capotasto al 4 tasto - La4 (002020) La5 - (00220X)

La5 La4 Mi Fa7+  
La4 Mi Rem Sol La7 Lam

Lam Mi  
Kindness in your eyes  
Fa7+ La4 Mi  
I guess you heard me cry  
Rem  
You smiled at me  
Sol La7 Lam

Like Jesus to a child  
Lam Mi  
I'm blessed I know  
Fa7+ La4 Mi  
Heaven sent and heaven stole  
Rem

You smiled at me  
Sol La7 Lam  
Like Jesus to a child  
Fa7+  
And what have I learned  
Sol  
From all this pain  
Fa7+ Sol  
I thought I'd never feel the same  
Do7+ La4 Mi  
About anyone or anything again

But now I know  
Lam  
When you find a love  
Sol Fa7+  
When you know that it exists  
Mim Rem  
Then the lover that you miss  
Mi La7 Lam  
Will come to you on those cold, cold nights  
Lam  
When you've been loved  
Sol Fa7+  
When you know it holds such bliss  
Mim Rem  
Then the lover that you kissed  
Mi La7 Lam  
Will comfort you when there's no hope in sight

La5 La4 Mi Fa7+  
La4 Mi Rem Sol La7 Lam

Lam Mi  
Sadness in my eyes  
Fa7+ Mi  
No one guessed, well no one tried  
Rem  
You smiled at me  
Sol La7 Lam  
Like Jesus to a child

Lam Mi  
Loveless and cold

Fa7+                      Mi  
With your last breath you saved my soul  
Rem  
You smiled at me  
Sol                      La7      Lam  
Like Jesus to a child  
Fa7+  
And what have I learned

Sol  
From all these tears  
Fa7+                      Sol  
I've waited for you all those years  
Do7+                      La4              Mi  
Then just when it began He took your love away

But I still say  
Lam  
When you find a love  
Sol                      Fa7+  
When you know that it exists  
Mim                      Rem  
Then the lover that you miss  
Mi                                      La7                      Lam  
Will come to you on those cold, cold nights  
Lam  
When you've been loved  
Sol                                      Fa7+  
When you know it holds such bliss  
Mim                                      Rem  
Then the lover that you kissed  
Mi                                      La7                      Lam  
Will comfort you when there's no hope in sight

Lam      La5                      Mim  
So the words you could not say  
La  
I'll sing them for you  
Lam      La5                      Mim  
And the love we would have made  
La5  
I'll make it for two  
Rem      Mi                      Lam  
For every single memory  
Lam                      La5      Mi      Fa7+  
Has become a part of me  
Lam                      Sol      Fa  
You will always be  
Mim      Rem      Mi      Lam  
My Love

Lam  
Well I've been loved  
Sol                      Fa7+  
So I know just what love is  
Mim                      Rem                      Mi                      Lam      Sol      Fa7+  
And the lover that I kissed is always by my side  
Mim                      Rem                      Mi                      Lam  
Oh the lover I still miss...was Jesus to a child
