

## Heroes - Mika

La Mi  
The kids in the hundreds tomorrow  
Fam  
Will march through the door  
Re La  
They're fighting someone else's war  
Mi Fam  
They'll have so many stories to tell  
Re La  
In exchange for a hero's farewell  
Mi Fam  
I wish I could, I wish I could make you return  
Re La  
And what if I'll never discern  
Mi Fam  
As you walk to the toll of the bell  
Ra La  
You'll be fighting for our heaven with hell  
  
Mi Fam Re  
And you don't understand why no one else can see  
La Mi Fam Re  
Your blood on me and my blood on you  
La Mi Fam Re  
But to make you bleed is the only thing I wouldn't do  
  
La Mi Fam  
And you know Heroes aren't meant to survive  
Re La  
So much harder to love when alive  
Re Fam  
Walk with the devil in your head  
Re La  
You would think you were better off dead  
  
Mi Fam Re  
And you don't understand Why no one else can see  
La Mi Fam Re  
Your blood on me and my blood on you  
La Mi Fam Re  
But to make you bleed is the only thing I wouldn't do  
  
La Mi Fam Re  
Where can you go? (*fire, fire, fire*)  
La Mi  
We fight we earn we never learn  
Fam Re  
And through it all the hero falls  
Re  
I wish there was a way  
La Mi Fam  
To give you a hand to hold  
Re La Mi Fam  
You don't have to die in your glory  
Re La  
Die to never grow old

La Mi Fam Re  
Your blood on me and my blood on you  
La Mi Fam Re  
But to make you bleed is the only thing I wouldn't do  
La Mi Fam Re  
Your blood on me and my blood on you  
La Mi Fam Re  
But to make you bleed is the only thing I wouldn't do

La Mi Fam Re  
Where can you go? (*fire, fire, fire*)  
La Mi  
We fight we earn we never learn  
Fam Re  
And through it all the hero falls
