Alanis Morissette - Hand in my pocket

```
Sol

     Sol              Sol4       Sol             Sol4
I'm broke but I'm happy, I'm poor but I'm kind
     Sol              Sol4       Sol
I'm short but I'm healthy, yeah
     Sol              Sol4           Sol               Sol4
I'm high but I'm grounded, I'm sane but I'm overwhelmed
     Sol              Sol4      Sol
I'm lost but I'm hopeful, baby
                      Fa
And what it all comes down to
Do                                Sol             Sol4   Sol
  Is that everything's gonna be fine, fine, fine
                 Fa
'Cause I've got one hand in my pocket
        Do                    Re          Sol   Sol4  Sol
And the other one is givin' a high five
        Sol             Sol4         Sol              Sol4
I feel drunk but I'm sober, I'm young and I'm underpaid
    Sol              Sol4         Sol
I'm tired but I'm workin', yeah
  Sol             Sol4            Sol             Sol4
I care but I'm restless, I'm here but I'm really gone
    Sol              Sol4      Sol
I'm wrong and I'm sorry, baby
                      Fa
And what it all comes down to
Do                                Sol         Sol4   Sol
  Is that everything's gonna be quite alright
                 Fa
'Cause I've got one hand in my pocket
        Do                    Re           Sol  Sol4  Sol
And the other one is flickin' a cigarette
                      Fa
And what it all comes down to

Do                                       Sol           Sol4   Sol
  Is that I haven't got it all figured out just yet
                 Fa
'Cause I've got one hand in my pocket
        Do                    Re           Sol  Sol4  Sol
And the other one is givin' a peace sign
    Sol             Sol4           Sol             Sol4
I'm free but I'm focused, I'm green but I'm wise
    Sol             Sol4         Sol
I'm hard but I'm friendly, baby
    Sol             Sol4           Sol             Sol4
I'm sad but I'm laughin', I'm brave but I'm chickenshit
    Sol             Sol4       Sol
I'm sick but I'm pretty, baby
                      Fa
And what it all boils down to

Do                                          Sol           Sol4  Sol
  Is that no one's really got it figured out just yet
                Fa
Well, I've got one hand in my pocket
        Do                    Re     Sol  Sol4  Sol
And the other one is playin' a piano
                      Fa                      Do
And what it all comes down to, my friend, yeah
                          Sol        Sol4   Sol
Is that everything is just fine, fine, fine
