Alanis Morissette - Thank u

```
Do                                Sol       Fa
how bout getting off these antibiotics
how bout stopping eating when I'm full up
how bout them transparent dangling carrots
how bout that ever elusive kudo
          Do
thank you India thank you terror
          Sol      Fa
thank you disillusionment
          Do
thank you frailty thank you consequence
      Sol              Fa
thank you thank you silence
Do                                  Sol     Fa
how bout me not blaming you for everything
how bout me enjoying the moment for once
how bout how good it feels to finally forgive you
how bout grieving it all one at a time
          Do
thank you India thank you terror
          Sol      Fa
thank you disillusionment
          Do
thank you frailty thank you consequence
      Sol              Fa
thank you thank you silence
Do                                   Sol
the moment I let go of it was the moment
           Fa
I got more than I could handle
    Do
the moment I jumped off of it
        Sol                 Fa
was the moment I touched down
Do                                  Sol     Fa
how bout no longer being masochistic
how bout remembering your divinity
how bout unabashedly bawling your eyes out
how bout not equating death with stopping
          Do
Thank you India
Thank you providence
          Sol          Fa
Thank you disillusionment
          Do
Thank you nothingness
Thank you clarity
       Sol              Fa
Thank you thank you silence
