

I Won't let you go - James Morrison

Do
When it's black,
Lam
Take a little time to hold yourself,
Fa Do
Take a little time to feel around, Before it's gone
Lam
You won't let go, but you still keep on falling down.
Fa
Remember how you saved me now,
Do
From all of my wrongs.
And if there's love just feel it,
And if there's life we'll see it
Lam
This is no time to be alone, alone, yeah
Fa Sol Do
I won't let you go
Do Lam
Say those words, say those words like there's nothing left.
Fa Sol Do
Close your eyes and you might begin that there is some way out
Lam
Open up, open up your heart to me now
Fa
Let it all come pouring out,
Sol Do
There's nothing I can't take
And if there's love just feel it,
And if there's life we'll see it
Lam
This is no time to be alone, alone, yeah
Fa Sol Do
I won't let you go
(Won't let you go, won't let you go)
Do
And if your sky falling, Just take my hand and hold it
Lam
You don't have to be alone, alone, yeah
Fa Sol Do
I won't let you go
(Won't let you go, won't let you go)
Lam Sol Do
And if you feel the failing of the light
Fa Sol Do
And you're too weak to carry on the fight
Fa Sol Lam
And all your friends that you care for have disappeared
Do Sol Do
I'll be here now darling, forever, holding on
Woah
And if there's love just feel it, and if there's life we'll see it
Lam
This is no time to be alone, alone, yeah
Fa Sol Do
I won't let you go (Won't let you go, won't let you go) Woah no
Do
And if your sky falling, Just take my hand and hold it
Lam
You don't have to be alone, alone, yeah
Fa Sol Do
I won't let you go (Won't let you go, won't let you go) Woah no, yeah
I won't let you go, no I won't let,
I won't let you go, no I won't let,
I won't let you go, no I won't let you go
