Si

I've been spending way too long checking my tongue in the mirror

Fa#

And bending over backwards just to try to see it clearer,

Labm

But my breath fogged up the glass

Mi

And so I drew a new face and I laughed,

Si

I guess what I be saying is there ain't no better reason

Fa#

To rid yourself of vanity and just go with the seasons.

Labm

Mi

It's what we aim to do, our name is our virtue.

(senza musica)

So I won't hesitate no more, no more it cannot wait, I'm yours
