Jason Mraz - I won't give up

```
La/Mi Mi     La/Mi Mi
La/Mi Mi     Si4  Si
                 La/Mi Mi
When I look into your  eyes
                       La/Mi Mi
It's like watching the night sky
               La/Mi Mi
Or a beautiful sun--rise
                            Si4   Si
Well, there's so much they hold
                   La/Mi Mi
And just like them old  stars
                   La/Mi   Mi
I see that you've come so far
                   La/Mi Mi
To be right where you  are
                 Si4    Si
How old is your soul?
                    La    Mi
Well, I won't give up on us
            Do#m7     Si
Even if the skies get rough
                La     Mi
I'm giving you all my love
                   Si4   Si
I'm still looking up
                          La/Mi Mi
And when you're needing your  space
           La/Mi Mi
To do some navigating
              La/Mi     Mi
I'll be here patiently waiting
                 Si4   Si
To see what you find
                 La         Mi
'Cause even the stars they burn
          Do#m7       Si
Some even fall to the earth
             La     Mi
We've got a lot to learn
                 Si4      Si
God knows we're worth it
                  La7+  La6  La7+  La6
No, I won't give up
        Fa#m7
I don't wanna be someone
who walks away so easily
I'm here to stay and make the difference
     Si4        Si
that I can make
    Fa#m7
Our differences they do a lot
to teach us how to
use the tools and gifts we got, yeah
         Si4          Si
we got a lot at stake
           Re
And in the end, you're still my friend
at least we did intend
For us to work we didn't break, we didn't burn
Si7/Re#
  We had to learn how to bend
without the world caving in
Re
  I had to learn what I've got
```

```
Si7/Re#
  and what I'm not
          Mi  Mi4  Mi
and who I am
             La    Mi
I won't give up on us
            Do#m7     Si
Even if the skies get rough
               La     Mi
I'm giving you all my love
                  Do#m7                  Si
I'm still looking up, I'm still looking up
                   La    Mi
Well, I won't give up on us
no I'm not giving up
               Do#m7   Si
God knows I'm tough enough
I am tough, I am loved
            La     Mi
We've got a lot to learn
we're alive, we are loved
                Si4        Si
God knows we're worth it
and we're worth it
             La    Mi
I won't give up on us
            Do#m7     Si
Even if the skies get rough
               La     Mi
I'm giving you all my love
                  Si
I'm still looking up
```
