Jason Mraz – Love someone

```
Re
Love is a funny thing
Whenever I give it, it comes back to me
And it’s wonderful to be giving with my whole heart
                           Sol
As my heart receives your love
                                        Re
Oh, ain’t it nice tonight we got each other
     Sol
I am right beside you
                                  Re
More than just a partner or a lover,
         La
I’m your friend
         Sol7+
When you love someone
     Re                 La
Your heartbeat beats so loud
          Sol7+
When you love someone
     Re                   La      Sim
Your feet can’t feel the ground
         Sol               Re          La
Shining stars all seem to congregate around your face
          Sol7+
When you love someone
   Re    La      Re
It comes back to you
    Re
And love is a funny thing
It’s making my blood flow with energy
                   Sol
And it’s right on time
                                         Re
Oh ain’t it nice this life we got each other
     Sol
I am right beside you
                                  Re
More than just a partner or a lover

 We’re gonna give ourselves to love tonight
Re                        Sim
 Lifting up to touch the starlight
            La9                   Sol
And we will savor every second we suspend
                    Re              La
together you and I will, you and I will,
           Sol7+    Re  La
