Jason Mraz – Wordplay

```
Sol  Do9  Re      Sol  Do9  Re
          Mim
I've been all around the world
            Sol
I've been a new sensation
       Lam
But it doesn't really matter
In this generation
    Mim                   Sol
The sophomore slump is an uphill battle
    Lam
And someone said that in my scene
                   Mim
'Cause they need a new song
Like a new religion
Sol
Music for the television
Lam
I can't do the long division
Someone do the math
         Mim
For the record label puts me
       Sol
on the shelf up in the freezer
Lam
Got to find another way
to live the life of leisure
     Mim
So I drop my top
Sol
 Mix and I mingle
   Lam7/9
Is everybody ready for the single and it goes
Sol    Do9  Re
Ha  La La La La
                                  Sol
Now listen closer to the verse I lay
       Do9  Re
Ha La La La La
                           Sol
It's all about the wordplay
       Do9 Re
Ha La La La  Love
The wonderful thing it does
           Mim
Because, because
                               Re/Fa#
I am the wizard of ooh's and ah's and fa-la-la's
         Do9
Yeah the Mister A-Z
                                    Sol  Do9  Re
They say I'm all about the wordplay
                     Mim
And it's time to get ill I got your remedy
    Sol
For those who don't remember me
     Lam
Well let me introduce you to my style
  Mim
I try to keep a jumble
        Sol
And the lyrics never mumble
         Lam
When the music's makin' people tongue-tied

           Mim
You want a new song
Like a new religion
Sol
Music for the television
Lam
I can't do the long division
Someone do the math
         Mim
For the people write me off
           Sol
like I'm a one-hit wonder
Lam
Got to find another way to keep from goin' under
     Mim
Pull out the stops
Got your attention
  Lam7/9
I guess it's time again for me to mention
The wordplay
Sol    Do9  Re
Ha  La La La La
                                    Sol
Now listen closer to the verse I lay
       Do9  Re
Ha La La La La
                            Sol
It's all about the wordplay
       Do9 Re
Ha La La La  Love
The wonderful thing it does
           Mim
Because, because
                               Re/Fa#
I am the wizard of ooh's and ah's and fa-la-la's
         Do9
Yeah the Mister A-Z
They say I'm all about the wordplay
          Mim
I built a bridge across
the stream of consciousness
                          Si
It always seems to be a flowin'
But I don't which way my brain is goin'
       Mim
Oh the ryhmin' and the timin'
          Re
Keeps the melodies inside me
            Do
And they're comin'
Til I'm running out of air
           Mim
Are you prepared to take a dive
into the deep end of my head
Si
 Are you listening to a single word I've said
Sol  Do9  Re
                                Sol  Do9  Re
Listen closer to the words I say...
                               Sol
We're sticken' to the wordplay
      Do9 Re
Ha La La La Love
The wonderful thing it does
           Mim
Because, because
