Jason Mraz – You and I both

```
       Sol
Was it you who spoke the words that things
      Sol7+
would happen but not to me?
    Mim7
Oh, things are gonna happen naturally
    Lam7
Oh, taking your advice,
I'm looking on the bright side
    Do9              Re/Fa#
And balancing the whole thing
          Sol
Oh but at often times those words
    Sol7+
get tangled up in lines
        Mim7
And the bright light turns to night
     Lam7
Oh until the dawn, it brings
                                    Do9
A little bird who'll sing about the magic
                 Re/Fa#
that was you and me
                Sol      Sol7+
'Cause you and I both loved
              Mim7
What you and I spoke of
               Lam7
And others just read of
         Do9          Re/Fa#
Others only read of the love,
               Sol    Sol7+   Mim7
the love that I love...
                       Sol
See I'm all about them words
     Sol7+                          Mim7
Over numbers, unencumbered numbered words
                                  Lam7
Hundreds of pages, pages, pages forwards
                            Do9
More words than I had ever heard
               Re/Fa#
and I feel so alive
                Sol      Sol7+
'Cause you and I both loved
              Mim7
What you and I spoke of
               Lam7
And others just read of
               Lam7
And others just read of
                 Do9  Re
and if you could see now
                 Sol
Oh then you and I, you and I
                           Mim7
Not so little you and I anymore
    Lam7
And with this silence brings a moral story
                  Do9                    Re/Fa#
More importantly evolving is the glory of a boy
                Sol        Sol7+
'Cause you and I both loved
              Mim7
what you and I spoke of
```

```
               Lam7
And others just read of
                 Do9
and if you could see now
              Re/Fa#          Sol
Well then I'm almost finally out of,
            Mim7
I'm finally out of
        Lam7
Finally...
        Do9          Re/Fa#
And I'm almost finally, finally,
      Sol
well I am free...
          Do                   Re
And it's okay if you have go away
          Sol             Re/Fa#
Oh just remember the telephones,
                        Mim7
well they're workin' in both ways
         Do               Re
But if I never, ever hear it ring
                Sol
Well if nothing else I'll think the bells inside
     Mim7
Have finally found you someone else
    Do
and that's okay
               Re
'Cause I'll remember everything you sang
                Sol
'Cause you and I both loved
               Mim7
what you and I spoke of
               Lam7
And others just read of
                 Do9
and if you could see now
              Re/Fa#          Sol
Well then I'm almost finally out of,
            Mim7
I'm finally out of
        Lam7
Finally...
        Do9          Re/Fa#    Sol
And I'm almost finally, finally out of words
```
