

Hysteria - Muse

Lam Mi Rem Lam (x2)

Lam Mi
It's bugging me, grating me
Rem Lam
Twisting me around
Lam
Yeah I'm endlessly
Mi
Caving in
Rem Lam
And turning inside out

Do
'Cos I want it now
Sol
I want it know
Rem Lam
Give me your heart and your soul
Do
And I'm breaking out
Sol
I'm breaking out
Rem Mi
Last chance to lose control

Lam Mi Rem Lam

Lam Mi
It's holding me, morphing me
Rem Lam
And forcing me to strive
Lam Mim
To be endlessly cold within
Rem Lam
And dreaming I'm alive

Do
'Cos I want it now
Sol
I want it know
Rem Lam
Give me your heart and your soul
Do
And I'm breaking out
Sol
I'm breaking out
Rem Lam
Last chance to lose control

Mi Lam Mi Rem Lam
Lam Mi Rem Lam
Do Sol Rem Lam Do Sol Rem Lam

Do
And want you now

Sol
I want you now
Rem Lam
I'll feel my heart implode
Do
And I'm breaking out
Sol
Escaping now
Rem Lam
Feeling my faith erode
Mi
