Rem

The paranoia is in bloom, the PR

Solm Fa

The transmissions will resume

La

They'll try to push drugs

Keep us all dumbed down and hope that

Solm Fa La

We will never see the truth around, so come on

Rem

Another promise, another scene, another

Solm Fa

A package not to keep us trapped in greed

La

With all the green belts wrapped around our minds

Solm Fa La

And endless red tape to keep the truth confined, so come on

Rem Solm Fa

They will not force us

La Solm Fa

They will stop degrading us

Rem Solm Fa

They will not control us

La Solm Fa Rem

We will be victorious, so come on

Rem

Interchanging mind control

Solm Fa

Come let the revolution take it's toll if you could

La

Flick the switch and open your third eye, you'd see that

Solm Fa Rem

We should never be afraid to die, so come on

Rem

Rise up and take the power back, it's time that

Solm Fa

The fat cats had a heart attack, you know that

La

Their time is coming to an end

Solm Fa Rem

We have to unify and watch our flag ascend, so come on

They will not force us
