Hush - Muse

```
Lam
Fa Mi  Mi/Re Do
Mi Mi7 Mi/Re   2v

Lam            Rem    Mi7          Rem
  It's coming closer, quiet the cobra
Lam              Rem    Mi7          Rem
  Can't keep composure, I want to feel it
Lam            Rem   Mi7             Rem
  Silence the giant, just let the light in
Lam           Rem  Mi           Mi/Re
  Secrets to keep, I want to feel it

Lam              Fa7+
 Forget the world together
Mi                 Rem
 Choke out the noise forever
Do               Rem
 Forget the world together
Mi           Mi/Re
 Just for a moment

Fa                      Lam
Hush, it's getting too loud
      Mim               Fa7+       Fa
Don't let it drown the sound (Ooh, hush)
                Lam
It's you and me now
        Mim         Fa7+
There's chaos all around
   Fa               Do              Mi      Fa7+
So lose yourself, free yourself, fe-e-e-eel
Do      Mi
Take a breath and

Lam
Hush (Hush x20)

Fa Mi Mi/Re Do Mi Mi7 Mi/Re

Lam Fa Mi Mi/Re Do Mi Mi7 Mi/Re

Lam            Rem    Mi7                  Rem
  It's coming closer, be still, breathe slower
Lam             Rem    Mi7          Rem
  Show some composure, I want to feel the
Lam                         Rem
Silence is everything (I'm feeling it)
   Mi7                    Rem
To focus adrenaline (I'm feeling it)
    Lam                           Rem
The silence is everything (I'm feeling it)
Mi7
  I know you need it

Lam              Fa7+
 Forget the world together
Mi                 Rem
 Choke out the noise forever
Do               Rem
 Forget the world together
Mi           Mi/Re
 Just for a moment
