Re   Solm   Midim   Rem

Solm   Dom   Soldim   Rem

Rem                  Do/Re
Home, It's becoming a killing field
          Sib7+                 La7
There's a cross hair locked on my heart
          Rem
With no recourse
                     Do/Re
and there's no one behind the wheel
Sib7+                         La7          Rem
Hell fire, You're wiping me out, killed by
         Do5    Do#5  Rem
Drones, (killed by)
        Fa5    Fa#5
Drones (killed by)

Sol5           Fa5
 You rule with lies and deceit
        Do5               Sol5    Fa5 Mi5
And the world is on your side
Sol5                   Fa5
'Cause you've got the CIA, babe
    Do5                       Sol5    Fa5 Mi5
But all you've done is brutalise

Solm   Dom   Soldim   Rem

Rem                  Do/Re
War, war just moved up a gear
        Sib7+              La7
I don't think I can handle the truth
           Rem
I'm just a pawn
              Do/Re
And we're all expendable
    Sib7+
Incidentally
            La7
Electronically erased
       Rem
By your

Drones, (killed by)
        Fa5    Fa#5
Drones (killed by)

Sol5           Fa5
 You kill by remote control
    Do5               Sol5    Fa5 Mi5
The world is on your side
Sol5         Fa5
 You've got reapers and hawks babe
Do5             Sol5    Fa5 Mi5
Now I am radicalized
