Sunburn – Muse

```
Mim  Lam9  Do  Lam9  Mim  Lam9  Do  Lam9

Mim              Lam9       Do
 Come waste your millions here
Lam9     Mim     Lam9  Do  Lam9
Secretly she sneers
Mim       Lam9        Do
 Another corporate show
  Lam9    Mim        Lam9  Do  Lam9
A guilty conscience grows
         Mim  Lam  Do
And I'll fe--------el
  Lam      Mim      Lam  Do  Lam
a guilty conscience grow
         Mim  Lam  Do
And I'll fe--------el
  Lam      Mim      Lam  Do  Lam
a guilty conscience grow

Lam    Mim             Lam
 She burns like the sun
            Mim      Lam
And I can't look away
               Mim        Lam
And she'll burn our horizons
      Mim
Make no mistakes

Mim  Lam9  Do  Lam9  Mim  Lam9  Do  Lam9

Mim           Lam          Do
 Come let the truth be shared
Lam     Mim  Lam  Do  Lam  Mim
No one ever dared...    to break
      Lam     Do
These endless lies
Lam       Mim  Lam  Do  Lam
Secretly she cries

Lam    Mim             Lam
 She burns like the sun
            Mim      Lam
And I can't look away
               Mim        Lam
And she'll burn our horizons
       Mim
Make no mistakes...

Lam   Mim   Lam   Mim

Lam   Mim   Lam   Mim

Lam        Mim             Lam
 And I'll hide from the world
           Mim       Lam
Behind a broken frame
            Mim    Lam
And I'll run forever
          Mim         Lam
I can't face the shame
             Mim           Lam
And I'll hide from the world
           Mim       Lam
Behind a broken frame
            Mim     Lam
