Time is running out - Muse

```
Lam  Lam/Si  Mi7  Fa  Sol

Lam
  I think I'm drowning
Lam/Si
  Asphyxiated
Mi7                  Fa
  I wanna break this spell
               Sol
That you've created

Lam
  You're something beautiful
Lam/Si
  A contradiction
Mi7                Fa
  I wanna play the game
           Sol
I want the friction

Lam      Lam/Si  Mi7      Fa  Sol
You will be the  death of me
Lam      Lam/Si  Mi7      Fa  Sol
You will be the  death of me

Fa5- Fa
Bury it
Sol                Lam9 Lam
  I won't let you bury    it
Sol                Fa5-    Fa
  I won't let you smother it
Sol                Lam9 Lam
  I won't let you murder  it

Do             Fa7+
  Our time is running out
Sol7           Lam
  Our time is running out
Do                   Fa7+
  You can't push it underground
Sol7                 Lam           Fa   Sol
  You can't stop it screaming out

Lam  Lam/Si  Mi7  Fa  Sol

Lam
  I wanted freedom
Lam/Si
  Bound and restricted
Mi7
  I tried to give you up
Fa           Sol
  But I'm addicted
Lam
  Now that you know I'm trapped
Lam/Si
  Sense of elation
Mi7
  You'd never dream of
Fa               Sol
Breaking this fixation

Lam      Lam/Si      Mi7          Fa   Sol
You will squeeze the life out of me
