You make me feel like it's Halloween – Muse

```
Do#m        Fa#m    Sol#

Do#m
 You got me checking my mirror
                           Fa#m
You make me feel like I'm on the run
                 Sol#
Where'd you hide the gun?
Do#m
 The kitchen knife in your hand
                              Fa#m
Are you the poison, are you the cure?
        Sol#
I'm not so sure
La     Si     Do#m  Si Do#m Si/Re# Mi
I'm shackled, there is no   way    out
Fa#m Soldim Sol#7/4   Sol#
I  can't  escape

Do#m
 When you turn out the lights
                                 Fa#m
You make me feel like it's Halloween (Halloween)
       Sol#
It's Halloween (Halloween)
Do#m
 When you skulk 'round the house
                                 Fa#m
You make me feel like it's Halloween (Halloween)
       Sol#
It's Halloween (Halloween)

Do#m
 You cut me off from my friends
                           Fa#m
You cut me off from my family
         Sol#
I'm in misery (I'm your number one fan)
Do#m
 Each day I fall to my knees
                    Fa#m
I see the writing on the wall
               Sol#
Now I'm in withdrawal
La     Si     Do#m  Si Do#m Si/Re# Mi
I'm shackled, there is no   way    out
Fa#m Soldim Sol#7/4   Sol#
I  can't  escape

Do#m
 When you turn out the lights
                                 Fa#m
You make me feel like it's Halloween (Halloween)
       Sol#
It's Halloween (Halloween)
Do#m
 When you skulk 'round the house
                                 Fa#m
You make me feel like it's Halloween (Halloween)
       Sol#
It's Halloween (Halloween)

Do#m      Fa#m   Sol#
