Lam
Noel plays the Lam in the 5th fret and then slides the hand to the top of the neck.

Lam Rem/4 Sol

  Lam                                  Rem/4  Sol
I don't know what it is that makes me feel alive
  Lam                                     Rem/4    Sol
I don't know how to wake the things that sleep inside
  Lam                              Rem/4    Sol       Lam    Rem/4 Sol
I only wanna see the light that shines behind your eyes

  Lam                                Rem/4    Sol
I hope that I can say the things I wish I'd said
   Lam                                 Rem/4    Sol
To sing my soul to sleep and take me back to bed
    Lam                              Rem/4  Sol
who wants to be alone when we can feel alive instead

Lam                                  Rem/4    Sol
there are many things that i would like to know
Lam                                  Rem/4    Sol
and there are many places that i wish to go
Lam                                  Rem/4    Sol
but everything's depending on the way the wind may blow
Lam                                  Rem/4    Sol
I dont know what it is that makes me feel alive
Lam                                  Rem/4    Sol
i dont know how to wake the things that sleep inside
Lam                                  Rem/4    Sol
i only wanna see the light that shines behind your eyes...
