Paul Young - Love of the common people

```
La
Living on free food tickets
Water in the milk
From a hole in the roof
Where the rain came through
             Re   Mi
What can you do, hmmm?
  La
Tears from your little sister
Crying because she doesn't have
A dress without a patch
For the party to go
           Re           Mi
But you know she'll get by
             La
'Cause she's living in
                Re
The love of the common people
La
Smiles from the heart
     Mi
Of a family man
La
Daddy's gonna buy you
  Re
A dream to cling to
La
Mama's gonna love you
        Mi
Just as much as she can
        La
And she can
       La
It's a good thing
You don't have a bus fare
It would fall through the hole
In your pocket and you'd lose it
       Fa#m7
In the snow on the ground
                     Re
You got to walk into town
          Mi
To find a job
La
Tryin' to keep your hands warm
When the hole in your shoe
Let the snow come through
    Fa#m7
And chill you to the bone
                         Re
Somehow you'd better go home
           Mi
Where it's warm
             La
When you can living in
                Re
The love of the common people
La
Smiles from the heart
     Mi
Of a family man
La
Daddy's gonna buy you
  Re
A dream to cling to

And she can...
La
Living on a dream ain't easy
But the closer the knit
The tighter the fit
        Fa#m7
And the chills stay away
                       Re
'Cause we take 'em in stride
           Mi
For family pride
              La
You know that faith
Is in your foundation
With a whole lot of love
And a warm conversation
    Fa#m7
But don't forget to pray
               Re
It's makin' it strong
            Mi
Where you belong
             La
