

Phoebe Cates - Paradise

Sim Mim

Sim Mim
Could it be the little things you do to me
Sim Mim
like waking up beside you it's so new to me
Mim
life can be so full of danger
Re
in the dark there lurks a stranger
Do#
I just can't
Fa#
imagine what he wants of me
Fa#
When I'm with you it's paradise
Sim
no place on earth could be so nice
Do#
through the crystal waterfall
Fa#
I hear you call
Fa#
just take my hand it's paradise
Sim
you kiss me once I'll kiss you twice
Do#
and as I gaze in to your eyes
Fa# Sim
I realize it's paradise
Sim Mim
It's right out of something from a fairy tale
Sim Mim
a terribly exciting and a scary tale
Mim
it's nothing I could ever make up
Re
am I dreaming will I wake up
Do# Fa#
just to find out this is true reality
Fa#
When I'm with you it's paradise
Sim
no place on earth could be so nice
Do#
through the crystal waterfall
Fa#
I hear you call
Fa#
just take my hand it's paradise
Sim
you kiss me once I'll kiss you twice
Do#
and as I gaze in to your eyes
Fa# Sim
I realize it's paradise
