We don't need no education
Rem
We don't need no thought control
Rem
No dark sarcasm in the classroom
Rem                                Sol
Teacher, leave them kids alone...
Sol                                Rem
Hey! Teacher, leave them kids alone...

Fa                          Do                       Rem
  All in all it's just a - nother brick in the wall
Fa                            Do                       Rem
  All in all you're just a - nother brick in the wall
