Breathe - Pink Floyd

```
Mim    La7    x8
Do7+    Sim7
Fa7+    Sol  Re7#9 Re7b9

Mim                          La7
   Breathe, breathe in the air
Mim                    La7
   Don't be afraid to care
Mim                    La7
   Leave, don't leave me
Mim                           La7
Look around and choose your own ground

Do7+
Long you live and high you fly
Sim7
Smiles you'll give and tears you'll cry
Fa7+
All you touch and all you see
   Sol                   Re7#9  Re7b9
Is all your life will ever be

Mim             La7
   Run, rabbit run
Mim                          La7
Dig that hole, forget the sun
Mim                                 La7
   And when at last the work is done
Mim                                      La7
Don't sit down, it's time to dig another one

Do7+
Long you live and high you fly
    Sim7
But only if you ride the tide
Fa7+
Balanced on the biggest wave
    Sol               Re7#9    Re7b9  Mim
You race towards an early grave
```
