Coming back to Life - Pink Floyd

```
Do9

Fa7+   Sol6 Lam   Sol   Fa
Do   Fa7+   Sol6 Lam  Sol  Fa
Lam  Fa  Lam  Sib  Lam  Sol4 Sol  Do

Do9
Where were you
                       Fa7+   Sol6
when I was burned and broken
          Lam
While the days slipped by
Sol             Fa
 from my window watching
    Do
And where were you
                           Fa7+    Sol6
when I was hurt and I was helpless
            Lam
Because the things you say
        Sol               Fa
and the things you do surround me
          Lam
While you were hanging yourself
   Fa
on someone else's words
Lam                        Sib9
Dying to believe in what you heard
      Lam              Sol4     Sol     Do9
I was staring straight into the shining sun

Do9              Fa
Lost in thought and lost in time
          Lam
While the seeds of life
        Sol                   Fa9
and the seeds of change were planted
   Do9             Fa
Outside the rain fell dark and slow
        Lam
While I pondered on
     Sol                          Fa9
this dangerous but irresistible pastime
         Lam                          Fa
I took a heavenly ride through our silence
           Lam            Sib9
I knew the moment had arrived
    Lam                  Sol4   Sol     Do9
For killing the past and coming back to life

Do9   Fa   Lam  Sol  Fa9

Do9   Fa   Lam  Sol  Fa9

         Lam                          Fa
I took a heavenly ride through our silence
           Lam           Sib9
I knew the waiting had begun
    Lam                 Sol4     Sol   Do9
And headed straight... into the shining sun

Do9   Fa   Lam  Sol  Fa9
Do9   Fa   Lam  Sol  Fa9

Lam  Fa  Lam  Sib9  Lam  Sol4 Sol Do9
