Hey You - Pink Floyd

```
Mim9  Rem   x4

    Mim9
Hey you! out there in the cold
                                        Sim
Getting lonely, getting old, can you feel me?
    Mim9
Hey you! standing in the aisles
                                             Sim
With itchy feet and fading smiles, can you feel me?
Re                                        Sol  Re  Do
Hey you! don't you help them to bury the li-ii-ght
Sim           Lam         Mim       Rem
Don't give in without a fight

    Mim9
Hey you! out there on your own
                                       Sim
Sitting naked by the phone, would you touch me?
    Mim9
Hey you! with your ear against the wall
                                             Sim
Waiting for someone to call out, would you touch me?
Re                                         Sol   Re Do
Hey you! would you help me to carry the sto-o-one?
Sim              Lam          Mim
Open your heart, I'm coming home

Mim   Lam   x4

Mim

Do          Re      Sol  Re Do
But it was only a fantasy
Do                Re        Sol   Re   Do
The wall was too high, as you can see
Do                Re              Sol   Re     Do
No matter how he tried he could not break free
        Do         Re        Mim9
And the worms ate into his brain

Mim9  Rem   x4

    Mim9
Hey you! out there on the road
                                         Sim
Always doing what you're told, can you help me?
    Mim9
Hey you! out there beyond the wall
                                       Sim
Breaking bottles in the hall, can you help me?
Re                                          Sol  Re  Do
Hey you! don't tell me there's no hope at a-aa-ll
  Sim             Lam           Mim9
Together we stand, divided we fall.
