Mim
   ...For millions of years,
mankind lived just like the animals
Then something happened which unleashed
the power of our imagination
We learned to talk

          Mim
There's a silence surrounding me

I can't seem to think straight
     Re/Mi                 Do/Mi
I'll sit in the corner and no one can bother me
  Mim
I think I should speak now
(Why won't you talk to me?)

I can't seem to speak now (You never talk to me)
   Lam/Mi
My words won't come out right

(What are you thinking?)
  Mim
I feel like I'm drowning (What are you feeling?)

I'm feeling weak now (Why won't you talk to me?)

But I can't show my weakness (You never talk to me)
Re/Mi
I sometimes wonder (What are you thinking?)
Do/Mi                                              Mim
Where do we go from here (What are you feeling?)

Do7+
It doesn't have to be like this
                  Sim7
All we need to do is make sure we keep talking

Mim  Re/Mi  Do/Mi
Mim  Lam/Mi Mim
Mim  Re6/Mi  Do7+/Mi
Mim  Lam/Mi        Mim

 Mim
(Why won't you talk to me?) I feel like I'm drowning

(You never talk to me) You know I can't breathe now
 Re/Mi
(What are you thinking?) We're going nowhere
 Do/Mi
(What are you feeling?) We're going nowhere
 Mim
(Why won't you talk to me?)

(You never talk to me)
 Re/Mi                   Do/Mi
(What are you thinking?)
                      Mim
(Where do we go from here?)
