Mim                                                    Lam     Mim
Harmlessly passing your time in the grassland away________
                                                     Lam    Mim
Only dimly aware of a certain unease in the air______

Fa#7                    La
You better watch out, there may be dogs about
           Fa#7
Well, I've looked over Jordan and I've seen
La                                Mim
Things are not what they seem

                                                       Lam     Mim
What do you get for pretending the danger's not real_______

Meek and obedient, you follow the leader
                                                       Lam     Mim
Down well trodden corridors into the valley of steel________

Fa#7              La
What a surprise, a look of terminal shock in your eyes
Fa#7
Now things are really what they seem
La
No, this is no bad dream

Fam Rem (x4)

Rem
The Lord is my shepherd
I shall not want
He makes me down to lie
Through pastures green
He leadeth me the silent waters by
With bright knives
         Fam          Rem
He releaseth my soul
He maketh me to hang on hooks in high places
              Fam    Lam
He converteth me to lamb cutlets
For lo he hath great power and great hunger
            Do       Sim
When cometh the day we lowly ones
Through quiet reflection and great dedication
           Do
Master the art of karate
Lam
Lo we shall rise up
And then we'll make the buggers eyes water

Mim                                                          Lam     Mim
Bleating and babbling we fell on his neck with a scream_____

Wave upon wave of demented avengers
                                                     Lam     Mim
March cheerfully out of obscurity into the dream_____
         Fa#7
Have you heard the news
    La
