Shine on you crazy diamond - Pink Floyd

```
Solm
 Remember when you were young,
Solb                 Sib
  You shone like the sun
Mib   Solm/Re  Dom7  Mib/Sib  Fa       Re/Fa#
Shine on you,  crazy          diamond
Solm
Now there's a look in your eyes,
Solb                      Sib
  Like black holes in the sky
Mib   Solm/Re  Dom7  Mib/Sib  Fa
Shine on you,  crazy          diamond

    Re/Fa# Solm
You were   caught in the crossfire
   Solb6
Of childhood and stardom,
Sib/Fa             Do9
Blown on the steel breeze
Mib                    Midim
Come on you target for faraway laughter,
Sib                        Rem         Re7/Fa#     Solm
Come on you stranger, you legend, you martyr, and shine

Solm  Solb  Sib  Mib  Solm/Re  Dom7  Mib/Sib  Fa

    Solm
You reached for the secret too soon,
Solb                Sib
  You cried for the moon
Mib   Solm/Re  Dom7  Mib/Sib  Fa
Shine on you,  crazy          diamond
Solm
Threatened by shadows at night,
Solb                  Sib
  And exposed in the light
Mib   Solm/Re  Dom7  Mib/Sib  Fa
Shine on you,  crazy          diamond

         Solm
Well you wore out your welcome
     Solb6
With well worn precision,
Sib/Fa             Do9
Blown on the steel breeze
Mib                    Midim
Come on you raver, you seer of visions,
Sib/Fa                   Rem        Re7/Fa#      Solm
Come on you painter, you piper, you prisoner and shine
```
