Us and Them - Pink Floyd

```
Re   Mi  Re7+  Sol   Re
Re   Mi  Re7+  Sol   Re

Re     Mi        Re7+
Us, and them
                          Sol
And after all we're only ordinary men.

 Re  (La )  (Re)  La

Re    Mi        Re7+
Me, and you.
                                Sol                      Re  La/Do#
God only knows it's not what we would choose to do.
Sim
Forward he cried from the rear
               Sim/La  Re/Sol  Do
and the front rank died.
    Sim                                      La
The general sat and the lines on the map
Re/Sol                 Do
moved from side to side.

Re      Mi     Re7+
Black and blue
                                    Sol             Re
And who knows which is which and who is who.
       Mi     Re7+
Up and down.
                           Sol                        Re  La  La/Do#
And in the end it's only round and round and round.
 Sim
"Haven't you heard? It's a battle of words"
Sim/La  Re/Sol         Do
the poster bearer cried.
 Sim
"Listen son", said the man with the gun
 Sim/La    Re/Sol          Do
"There's room for you inside."

Re   Mi     Re7+  Sol   La

Re   Mi     Re7+  Sol   Re

Sim  Sim/La  Re/Sol  Do  Sim  La  Sim  Sim/La  Sol  Do

Re     Mi       Re7+
Down and out
                                   Sol                 Re
It can't be helped but there's a lot of it about.
Re      Mi      Re7+
With, without.
                                  Sol                  Re
And who'll deny it's what the fighting's all about?
Sim
Out of the way, it's a busy day
Sim/La Re/Sol               Do
I've got things on my mind.
        Sim
For the want of the price of tea and a slice
Sim/La Re/Sol    Do
The old man died.
