

Unchained Melody - Elvis Presley

Capotasto al 5° tasto

Sol Mim Do
Oh, my love, my darling
 Re Sol
I've hungered for your touch
 Mim Re Re
A long lonely time

Sol Mim Do
Time goes by so slowly
 Re Sol
And time can do so much
 Mim Re Re
Are you still mine?

Sol Re
I need your love
Mim Sim
I need your love
 Do Re Sol Sol7
God speed your love to me
Do Re Do Sib
Lonely rivers flow to the sea, to the sea
Do Re Sol
To the open arms of the sea
Do Re Do Sib
Lonely rivers cry wait for me, wait for me
Do Re Sol
I'll be coming home wait for me

Sol Mim Do
Oh my love, my darling
 Re Sol
I've hungered for your touch
Mim Re Re
A long lonely time

Sol Mim Do
Time goes by so slowly
 Re Sol
And time can do so much
 Mim Re Re
Are you still mine?

Sol Re
I need your love
Mim Sim
I need your love
 Do Re Sol
God speed your love to me
