A world of never ending happiness
Do#7 Do#7sus4 Fa#
U can always see the sun, day or night

So when u call up that shrink in Beverly Hills
U know the one - Dr Everything'll Be Alright
Fa#sus2
Instead of asking him how much of your time is left
Fa#
Ask him how much of your mind, baby
Fa#sus4
'Cuz in this life
Fa#
Things are much harder than in the afterworld
In this life
You're on your own
Fa# Si

And if de-elevator tries 2 bring u down
Fa# Si
Go crazy - punch a higher floor
Fa# Si x4
