Sol                                 Lam
Oh my love we've had our share of tears
Sol                                   Lam
Oh my friend we've had our hopes and fears
Sol      Re                           Do
