

## Radiohead - High and dry

Fa# La Mi (X2)

Fa# La  
two jumps in a week I bet you think that's pretty clever  
Mi

don't you boy.

Fa# La  
flying on your motorcycle watching all the ground  
Mi

beneath you drop.

Fa# La  
you'd kill yourself for recognition, kill yourself  
Mi

to never ever stop.

Fa# La  
you broke another mirror, you're turning into something  
Mi

you are not.

Fa# La Mi  
don't lead me high, don't lead me dry,

Fa# La Mi  
don't lead me high, don't lead me dry.

Fa# La Mi

Fa# La Mi  
drying up in conversation you will be the one who cannot talk.

Fa# La  
all your insides fall to pieces, you just sit there  
Mi

wishing you could still make love.

Fa#  
they're the ones who'll hate you

La Mi  
when you think you've got the world all sussed out.

Fa#  
they're the ones who'll spit at you,

La Mi  
you will be the one screaming out.

Fa# La Mi  
don't lead me high, don't lead me dry,

Fa# La Mi  
don't lead me high, don't lead me dry.

Fa# La Mi (X2)

Fa#  
it's the best thing that you ever had,  
La Mi

the best thing that you ever, ever had.

Fa#  
it's the best thing that you ever had

La Mi  
the best thing that you had has gone away.

Fa# La Mi  
don't lead me high, don't lead me dry,
