

I'll take the rain - R.E.M.

Lam Fa
the rain came down the rain came down
Lam Sol Fa
the rain came down on me
Lam
the wind blew strong
Fa
and summer's song
Lam Sol Fa
it fades to memory.

Lam Fa
I knew you when I loved you then
Lam Sol Fa
in summer's yawn, now hopeless
Lam
you laid me bare
Fa
and marked me there
Lam Sol Fa
the promises we made

Do Lam Mim
I used to think, as birds take wing,
Fa Do
they sing through life, so why can't we?
Lam Mim
we cling to this, and claim the best
Fa Do
if this is what you're offering
Lam Mim Fa
I'll take the rain, I'll take the rain,

Lam
the nighttime creases
Fa
summer schemes
Lam Sol Fa
and stretches out to stay
Lam
the sun shines down
Fa
you came around
Lam Sol Fa
you love the easy days

Lam
but now the sun,
Fa
the winter's come
Lam Sol Fa
I wanted just to say
Lam
that if I hold
Fa
I'd hope you'd fold
Lam Sol Fa
and open up inside, inside of me

Do Lam Mim
I used to think, as birds take wing,
 Fa Do
they sing through life, so why can't we?
 Lam Mim
we cling to this, and claim the best
 Fa Do
if this is what you're offering
 Lam Mim Fa
I'll take the rain, I'll take the rain,

Lam
this winter's song
Fa
I'll sing along
Lam Sol Fa
I've searched its still refrain.
Lam
I'll walk alone
Fa
if given this
Lam Sol Fa
take wing, and celebrate the rain.

Do Lam Mim
I used to think, as birds take wing,
 Fa Do
they sing through life, so why can't we?
 Lam Mim
we cling to this, and claim the best
 Fa Do Lam Mim Fa
if this is what you're offering
