

*It's The End Of The World As We Know It (And I Feel Fine) - R.E.M.*

Sol Domaj7  
That's great, it starts with an earthquake,  
Sol Domaj7  
birds and snakes, an aeroplane - Lenny Bruce is not afraid.  
Sol  
Eye of a hurricane, listen to yourself churn  
Domaj7  
World serves its own needs, don't misserve your own needs.  
Sol  
Speed it up a knock, speed, grunt, no, strength no.  
Domaj7  
Ladder starts to clatter with fear of height, down height.  
Sib  
Wire in a fire, representing seven games  
Lam  
in a government for hire and a combat site.

Sol Domaj7  
Left of west and coming in a hurry with the furies breathing down your  
neck.  
Sol  
Team by team, reporters baffled, trumped, tethered, cropped.  
Domaj7  
Look at that low plane! Fine then.  
Sol Domaj7  
Uh oh, overflow, population, common group, but it'll do.  
Save yourself, serve yourself.  
Sol  
World serves its own needs, listen to your heart bleed.  
Domaj7  
Tell me with the rapture and the reverent in the right - right.  
Sib Lam  
You vitriolic, patriotic, slam, fight, bright light, feeling pretty  
psyched.

Sol Resus2 Lam  
It's the end of the world as we know it  
Sol Resus2 Lam  
It's the end of the world as we know it  
Sol Resus2 Lam Do  
It's the end of the world as we know it and I feel fine

Sol  
Six o'clock - TV hour. Don't get caught in foreign tower.  
Domaj7  
Slash and burn, return, listen to yourself churn.  
Sol  
Lock him in uniform, book burning, blood letting.  
Domaj7  
Every motive escalate. Automotive incinerate.  
Sol  
Light a candle, light a votive. Step down, step down.  
Domaj7  
Watch a heel crush, crush.  
Sol  
Uh oh, this means no fear - cavalier. Renegade and steering clear!  
Domaj7  
A tournament, a tournament, a tournament of lies.

Sib Lam  
Offer me solutions, offer me alternatives and I decline.

The other night I dreamed of knives, continental drift divide.  
Domaj7  
Mountains sit in a line, Leonard Bernstein.  
Sol  
Leonid Breshnev, Lenny Bruce and Lester Bangs.  
Domaj7  
Birthday party, cheesecake, jelly bean, boom!  
Sib Lam
