# *Olivia Rodrigo - Take me home (4 Christmas)*

```
Fa            Sol Mim Sol Mim
 Alright, woo

         Sol                            Mim
It's the third time this week we've been to this bar
         Fa                       Mim
Playing "Joy to the World" on electric guitar
          Sol                              Mim
And we're three beers deep and they're closing in ten
   Sol                                  Mim
Oh boy, don't you know what kind of girl I've been?
Do
I've been patient and merry and kind
    Re                                 Fa
And I've been waiting a really long time

Sol
 I want you to take me home

And not so we can make out
Mim
  I want you to take me home

Take me home to your parents' house
Sol
 I want you to take me home

Show me serious commitment
Mim
  I want you to take me home

Yeah, come on, take me home for Christmas

Sol
 Come on, take me home for Christmas
Mim
  Come on, take me home for Christmas

Sol                       Mim
Woke up late, but your momma don't care
        Fa                              Do
And she walked in on me in just my underwear (Ah)
Sol                                 Mim
Now your whole family's peeking under the tree
    Fa                                      Mim
Oh, look at that, a bunch of gifts they got from me
               Do
'Cause I'm so thoughtful and merry and kind
    Re               Fa
And I was waiting a really long time

Sol
 I want you to take me home
And not so we can make out
Mim
  I want you to take me home
Take me home to your parents' house
Sol
 I want you to take me home
Show me serious commitment
Mim
  I want you to take me home

Yeah come on, take me home for Christmas
