Mi7+

Yes I do, I believe That one day I will be, where I was

La7+

Right there, right next to you

And it's hard, The days just seem so dark

The moon, the stars, are nothing without you

Mi7+

Your touch, your skin, where do I begin?

La7+

No words can explain, the way I'm missing you

The night, this emptiness, this hole that I'm inside

These tears, they tell their own story
