

Constant Companion - Sam Smith

Mim7
I'll bury the bodies with you
Do9
Now I forgive you, it's time to ride out
Sol
We're getting away, way, way, way, way
Re Do9
From the city, mmm
Mim7
Unfamiliar faces at the bar
Do9
We drink to the rhythm of the swinging doors
Sol
It's going down, down, down, down, down
Re Do9
Like the rapids of the holy Hudson River

Mim7
I can be the razor in your hat
Do9
You can be the blade that's got my back
Sol
And when the good old darkness comes
Re Do9
I will keep you safe within my arms, oh, oh

Mim7 Do9
'Cause you, you are my constant companion
Sol
You know it's true
Sol Re
Those silhouettes seen drifting through the canyon
Sol Do Sol/Si Lam7
Four guns hang on the sides of two white stallions
Do
Let's ride into the sun and watch it
Mim Re/Fa# Sol Mim/Si Do9
Burn, burn, burn, burn, burn
Mim Re/Fa# Sol Mim/Si Do9
Burn, burn, burn, burn, burn

Mim7 Mim7 Mim7 Mim7

Mim7
Can you hear them coming in the distance?
Do9
The hunter's drumming hooves stalk our dreams
Sol
A love like ours don't have four walls or fences
Re Do9
'Cause all we need, all we need

Mim7
Is somewhere safe to rest our head at night, mmm
Do9
Underneath a tapestry of stars
Sol
All you are is all I need
Sol Re Do9
Home's the light that shines within your eyes, oh

Mim7 Do9
'Cause you, you are my constant companion, oh

Sol
You know it's true
