Do Rem Do
The world is closing in, and did you ever think
Rem Lam7 Sol
that we could be so close, like brothers?
Do Rem Do
The future's in the air, can feel it everywhere,
Rem Lam7 Sol
I'm blowin' with the wind of change.

Do Sol Rem Sol
Take me to the magic of the moment,
Do Sol Rem Sol
on a glory night where the children of tomorrow
Lam Sol Do
dream away in the wind of change,

Do Rem Do
Walking down the street, distant memories
Rem Lam7 Sol
are buried in the past forever
Do Rem Do
I follow the Moskva, down to Gorky Park,
Rem Lam7 Sol
listening to the wind of change.

Do Sol Rem Sol
Take me to the magic of the moment,
Do Sol Rem Sol
on a glory night where the children of tomorrow
Lam Sol
share their dreams with you and me.

The wind of change blows straight, into the face of time,
Sol Do
like a stormwind that will ring, the freedom bell for peace of mind.
