I'll be alone, dancing, you know it, baby
Mi              Re
  Tell me your troubles and doubts
La                    Re
Giving me everything inside and out, and
Mi                    Re
  Love's strange, so real in the dark
La                          Re
Think of the tender things that we were working on
Mi                 Re
  Slow change may pull us apart
La                     Re
 When the light gets into your heart, baby
Mi          Re              La

Will you stand above me?
Sol
Look my way, never love me
Re
Rain keeps falling, rain keeps falling
