

The Smashing Pumpkins - Ava Adore

Fam

Fam

It's you that I adore
You will always be my whore
You'll be a mother to my child
And a child to my heart

Re# La#m Fam
We must never be apart
Re# La#m Sol#
We must never be apart

Sol# Dom
Lovely girl you're the beauty in my world
Do# La#m Sol#
Without you there aren't reasons left to find

Fam
And I'll pull your crooked teeth
You'll be perfect just like me
You'll be a lover in my bed
And a gun to my head

Re# La#m Fam
We must never be apart
Re# La#m Sol#
We must never be apart

Sol# Dom
Lovely girl you're the murder in my world
Do# La#m Sol#
Dressing coffins for the souls I've left to die
Sol# Dom Do#
Drinking mercury to the mystery of all that
La#m Sol#
you should ever leave behind
La#m
In time

Fam
In you I see dirty
In you I count stars
In you I feel so pretty
In you I taste god
In you I feel so hungry
In you I crash cars
