

Gloria - Patti Smith

Mi Re La/Re 4v

Mi Re La/Re Mi Re La/Re Mi Resus4 La/Re Mi Re La/Re
Jesus diiiiiiied for somebody's sins but not mine

Mi Re La/Re Mi Re La/Re

Meltin' in a pot of thieves

Mi Re La/Re Mi Re La/Re

Wild card up my sleeve

Mi Re La/Re Mi

Thick heart of stone

Re La/Re Mi

My sins my own

Re La/Re Mi (Re/Fa#) Mi (Re/Fa#)

They belong to me, me

Mi Re La/Re Mi Re La/Re

People say, "Beware!"

Mi Re La/Re Mi Re La/Re

But I don't care

Mi Re La/Re

The words are just

Mi Re La/Re Mi (Re/Fa#) Mi (Re/Fa#)

Rules and regulations to me, me

Mi Re Mi Re

I-I walk in a room,

Mi Re Mi Re

you know I look so proud

Mi Re Mi Re

I'm movin' in this here atmosphere

Mi Re Mi Re

where anything's allowed

Mi Re Mi Re Mi Re Mi Re

And I go to this here party, and I just get bored

Mi Re Mi Re

Until I look out the window, see a sweet young thing

Mi Re Mi Re

Humpin' on the parking meter, leanin' on the parking meter

Mi Re Mi Re

Oh, she looks so good

Mi Re Mi Re

Oh, she looks so fine

Mi Re Mi

And I got this crazy feeling,

Re Mi Mi Re

and then I'm gonna ah-ah make her mine

Mi Re Mi Re

Ooh I'll put my spell on her

Mi Re

Here she comes

Mi Re

Walkin' down the street

Mi Re

Here she comes

Mi Re

Comin' through my door

Mi Re

Here she comes

Mi Re

Crawlin' up my stair

Mi Re

Here she comes

Mi Re
 Waltzin' through the hall
 Mi Re
 In a pretty red dress
 Mi Re Mi Re
 And oh, she looks so good
 Mi Re Mi Re
 Oh, she looks so fine
 Mi Re Mi
 And I got this crazy feeling
 Re Mi Mi Re
 that I'm gonna ah-ah make her mine
 Mi Re Mi Re Mi7 Resus4
 And then I hear this knockin' on my door
 Mi Re Mi7 Resus4
 Hear this knockin' on my door
 Mi7 Re Mi7 Re
 And I look up into the big tower clock
 Mi7 Re Mi7 Re
 And say, "Oh my God, here's midnight!"
 Mi7 Re Mi7 Re
 And my baby is walkin' through the door
 Mi7 Re Mi7 Re
 Leanin' on my couch, she whispers to me
 Mi7 Re
 and I take the big plunge
 Mi Re Mi Re
 And oh, she was so goo-ood
 Mi Re Mi Re
 Oh, she was so fine
 Mi Re Mi Re
 And I'm gonna tell the world that
 Mi Mi Re
 I just ah-ah made her mine

 Mi Re Mi Re Mi Re
 And I said, darling, tell me your name, she told me her name
 Mi Re Mi Re
 She whispered to me, she told me her name
 Mi Re Mi Re Mi Re Mi
 And her name is, and her name is, and her name is, and her name is

 Mi Re La x2

 Mi Re La
 I was at the stadium
 Mi
 There were twenty thousand girls
 Re La
 called their names out to me
 Mi Re La
 Marie and Ruth, but to tell you the truth
 Mi Re La
 I didn't hear them; I didn't see

Mi Re La
 I let my eyes rise to the big tower clock
 Mi Re La
 And I heard those bells chimin' in my heart
 Mi Re La
 Going ding dong, ding dong, ding dong, ding dong
 Mi Re La
 Ding dong, ding dong, ding dong, ding dong
 Mi Re La
 Counting the time
 Mi Re La
 Then you came to my room
 Mi Re La
 And you whispered to me, and we took the big plunge
 Mi Re La
 And oh, you were so goo-ood
 Mi Re La
 Oh, you were so fine
 Mi Re La Mi
 And I gotta tell the world that I make her mine, make her mine
 Re La Mi
 Make her mine, make her mine, make her mine, make her mine

 And the tower bells chime,

 "Ding dong," they chime
 La Mi Mi Re
 They're singing, "Jesus died for somebody's
 La
 sins ... but not mine,"
