

People have the power - Patti Smith

Re Sol
I was dreaming in my dreaming
Re Sol
Of an aspect bright and fair
Re Sol
And my sleeping, it was broken
Re Sol
But my dream it lingered near
Re Sol
In the form of shining valleys
Re Sol
Where the pure air recognised
Re Sol
And my senses newly opened
Re Sol
I awakened to the cry
Fa#m Sol
That the people have the power
Re Mi
To redeem the work of fools
Fa#m Sol
Upon the meek the graces shower
Re La
It's decreed, the people rule
Re Sol Mim La
People have the power People have the power
Re Sol
People have the power
Mim La Re Sol 2v
People have the power
Re Sol
Vengeful aspects became suspect
Re Sol
And bending low as if to hear
Re Sol
And the armies ceased advancing
Re Sol
Because the people had their ear
Re Sol
And the shepherds and the soldiers
Re Sol
Lay beneath among the stars
Re Sol
Exchanging visions and laying arms
Re Sol
To waste in the dust
Fa#m Sol
In the form of shining valleys
Re Mi
Where the pure air recognised
Fa#m Sol
And my senses newly opened
Re La
I awakened to the cry
Re Sol Mim La
People have the power People have the power
Re Sol
People have the power
Mim La Re Sol 4v
People have the power
Re Sol
Where there were deserts I saw fountains

Re Sol
 Like cream the waters rise
 Re Sol
 And we strolled there together
 Re Sol
 With none to laugh or criticise
 Re Sol
 And the leopard and the lamb
 Re Sol
 Lay together truly bound
 Re Sol
 I was hoping in my hoping
 Re Sol
 To recall what I had found

Fa#m Sol
 I was dreaming in my dreaming
 Re Mi
 God knows a purer view
 Fa#m Sol
 As I lay down to my sleeping
 Re La
 I commit my dream to you
 Re Sol
 People have the power
 Mim La
 People have the power
 Re Sol
 People have the power
 Mim La
 People have the power
 Re Sol
 The power to dream, to rule
 Mim La
 To wrestle the world from fools
 Re Sol
 It's decreed, the people rule
 Mim La
 It's decreed, the people rule

Re Sol
 Listen, I believe everything we dream
 Mim La
 Can come to pass through our union
 Re Sol
 We can turn the world around
 Mim La
 We can turn the earth's revolution
 Re Sol
 People have the power
 Mim La
 People have the power
 Re Sol
 People have the power
 Mim La
 People have the power

Re Sol
 The power to dream, to rule
 Mim La
 To wrestle the world from fools
 Re Sol
 It's decreed, the people rule
 Mim La
 It's decreed, the people rule
