

Crushing -Sombr

Re Sim Fa#m La 2v

Re Sim Fa#m
I wanna hold you in the open
La Re
I wanna keep the door from closing, yeah
Sim Fa#m
I wanna see you in the morning
La Fa#m
I wanna be there but I'm boring ya (Ooh)
Sim Sol
You wanna shove me in the corner
La Fa#m
Because you know you're my Madonna, yeah
Sim Sol
You want me crying in the courthouse
La Re
I'm tired of acting like we're cat and mouse

Sol Sim
I miss the days when we were crushing on each other
Re
Now you're just crushing my soul, my lover
Sol Sim
I miss the days when you could never love another
Re
Now you're just someone that I'll never recover

Sol Sim Re

Sol Fa#m
I'm drunk and walking past the corner store
La Re
And I've been thinking 'bout you more and more
Sol Fa#m
'Cause when you're gone, it all becomes a chore
La Fa#m
And then I don't know what I do it for (Ooh)
Sim Sol
In times like these, the money comes a crazy place
La Fa#m
I feel like this because I miss your taste
Sim Sol
Sometimes I feel like I could leave this place
La Re
But then I think about my mother's face

Sol Sim
I miss the days when we were crushing on each other
Re
Now you're just crushing my soul, my lover
Sol Sim
I miss the days when you could never love another
Re
Now you're just someone that I'll never recover

Sim Fa#/La#
What if we had lived our lives
La
And we left the house at different times
Mi/Sol#
And you bumped into another guy

Sol
He looks up at you to catch your eyes
Re
He picks up your things and apologizes
La
And now he's picking you up at nine
Mi
And now we're living in alternate lives
Re
