

Oh very young - Cat Stevens Yusuf

La

La Re
Oh very young

Mi Fa#m Re
What will you leave us this time
Mi Mi7 La Re
You're only dancing on this earth for a short while

Mi
And though your dreams may toss and turn you now
La Re La
They will vanish away like your daddy's best jeans
Re La Re
Denim blue fading up to the sky

La La7
And though you want them to last forever
Re Si7 Mi
You know they never will You know they never will
Mi Mi7 Mi La
And the patches make the goodbye harder still

La Re
Oh very young
Mi Fa#m Re
What will you leave us this time
Mi Mi7 La Re
There'll never be a better chance to change your mind

Mi
And if you want this world to see a better day
La Re La
Will you carry the words of love with you
Re La Re
Will you ride the great white bird into heaven

La La7
And though you want to last forever
Re Si7 Mi
You know you never will You know you never will
Mi Mi7 Mi La
And the goodbye makes the journey harder still

La Re
Oh very young
Mi Fa#m Re
What will you leave us this time
Mi Mi7 La Re
You're only dancing on this earth for a short while

La Re
Oh very young
Mi La
What will you leave us this time
